DEVELOPMENT SERVICES - CUSTOMER SATISFACTION SURVEY

Have you been involved in any development business with the Town of Oliver recently?

We are currently reviewing our Development Application processes and have developed a survey to enable us to provide better service to our customers. The survey will be open from March 9 to March 30.

If you have applied for any of the following please take the opportunity to provide your feedback through the [survey](#) located on the Town's website oliver.ca under What's Happening!

- business licence,
- building permit,
- development permit,
- development variance permit
- liquor license
- rezoning
- subdivision
- temporary use permit

In 2016 Council adopted a Service Review Policy for reviewing municipal services and programs to ensure they are operating at maximum efficiency and are as cost effective as possible.

Thank you for assisting us in improving our services.
