

**For Immediate Release  
September 27, 2021**

## **Osoyoos Indian Band, Towns of Oliver and Osoyoos Issue Public Survey**

The Town of Osoyoos, Town of Oliver, and Osoyoos Indian Band are exploring opportunities for the development of a **public aquatic centre for the region**. The development of a South Okanagan Aquatic Centre could potentially contribute significantly to community well-being in the region, providing a venue for year-round access to aquatics for all age groups and members of the community.

Hearing from residents is part of a broader community needs assessment that will help guide decision-making for the project. South Okanagan residents and visitors are invited to participate in a **public survey** to understand what the public thinks about a potential new aquatic centre undertaking.

We are interested to hear from all communities about your use of existing aquatic facilities and thoughts regarding a new facility in the South Okanagan. This survey should take about 15 minutes of your time. Your responses are **CONFIDENTIAL** – no individual respondents will be identified publicly through the results. The public survey will be open **from September 27 to October 24, 2021**.
