

Donor Form

We need your help to to feed hungry children in the Oliver/Okanagan Falls area. The Starfish Pack Program provides weekend food to elementary and high school students. Starfish Packs would not be sustainable without the support of individuals and businesses in our community.

It only costs \$20 per weekend to load a pack with 6 easy-to-prepare meals, fresh fruit and veggies for a child. Volunteers pack the bag, and they are sent home 30 weeks of the school year, with extra food before professional days, long weekends and holidays. The cost for one child for the school year is \$ 600. Any donation amount is greatly appreciated.

All funds donated are applied 100% towards the direct costs of this local program. Donors will receive an e-mailed receipt (we are not a registered charity) from the Town of Oliver. For questions, contact: Sam Marsel (250-488-7700) oliverstarfish@eastlink.ca
