Cascade Ultra Runner Plus

The Cascade Ultra Runner Plus not only gives you all the exercise benefits of a self-powered curved treadmill, it gives you the option to add 6 levels of magnetic resistance to add higher intensity interval training. Walk or run at your own pace then add resistance to burn more calories and add variety to your workout. Upper and lower handlebar positions accommodate all user sizes and facilitate different exercises, including sled conditioning. Premium anti-slip molded rubber slats with sealed bearings create an exceptionally quiet and smooth-running surface and reduce friction wear and tear. The ultimate training tool, the Cascade Ultra Runner Plus is fully commercial and built to last.

Equipment is being sold on an **"As Is, Where Is Basis."** Minimum Bin \$2,500
